

PACESETTER VIDEO

Pacesetter has been marketing and selling real estate for more than 25 years, providing service to Vancouver's leading developers. At Pacesetter, we ensure homes built and brought to market are relevant to today's buyers. We provide sound project insight and strategy throughout the entire process from land assembly, feasibility, and market research and analytics that support the best use of land for the developer. Our marketing and sales teams bring projects to life and provide homebuyers with the pertinent information and customer care needed to make informed decisions about their new homes.
